Benefits simplicity—all in one place

When you need an effortless benefits enrollment and administration experience, Aflac stands as your true partner that brings a powerful solution that combines ease, simplicity and convenience – **customized to your clients' unique needs.**

Adjustable to what works best for your clients.

Introducing the Everwell Advantage

Your benefits administration tool, powered by Aflac

Relax and work smarter, not harder

An answer designed specifically for brokers like you looking to streamline your client's enrollment, administrative and reporting processes into one, convenient solution.

ADMINISTRATIVE AUTOMATION

Conserve resources with task automation within our complimentary online solution.

ENROLLMENT FLEXIBILITY

Handle even the most complex plan designs so you can offer tailor-made benefits with ease.

STANDARDIZED REPORTING

With single-source reporting, rely on the system to run accurate reports.

Simplicity in ...

Administration

Customizable, permission-based dashboard allows your clients to manage their benefits easily.

Employers who use technology during benefits enrollment are more likely to say employees are satisfied with their benefits.¹ Empower them to get the most from the benefits they offer.

- Manage qualifying events
- Add and remove employees
- Offer an enhanced billing and payment solution

Enrollment

Easy for employees to point, click and enroll. **67 percent** of employees say reading about their benefits is complicated, long or stressful.¹ Let us relieve some of that anxiety.

- Employees view, compare and select plans.
- Access to 24/7 self-service.
- Personal benefits advisor available to assist in person.

Communication

Keep employees in the know with the latest enrollment news and updates. **46 percent** of employers are interested in outsourcing benefits communications.¹ Help your clients keep their employees educated and informed.

- Reminders for product enrollment deadlines
- Downloadable brochures and educational product videos
- Simplified benefits decisions with easy-to-use tools
- Knowledgeable benefits advisors who educate your client's employees on all their benefits and advise them on what best suits their needs
